## **Degrees:**

**1993** -M.B.B. Ch, Mansoura University, **Egypt.**  
**1999** -M. Sc. [internal medicine and nephrology], Mansoura University, **Egypt.**  
**2005** -Ph.D. [internal medicine and nephrology], Mansoura University, Egypt in  
collaboration with Heidelberg University, **Germany.**  
**2015** -IELTS English language examination (band score: 6.5)  
**2016** -FASN, Fellowship of American Society of Nephrology, **USA.**

## **Professional Carrier:**

- 1-** Rotating internship, Mansoura University Hospitals, **Egypt, [1994-1995].**
- 2-** Resident in the Department of Nephrology, Mansoura Urology and Nephrology Center, **Egypt, [1995-1999].**
- 3-** Assistant lecturer in Mansoura Urology and Nephrology Center, **Egypt, [1999-2005].**
- 4-** Lecturer of internal medicine & nephrology in Urology & Nephology Center, University of Mansoura, Egypt from **2005.**
- 5-** Assistant professor of internal medicine & nephrology in Urology & Nephology Center, University of Mansoura, Egypt from **2010 till now.**
- 6-** Nephrology and transplantation training course at **Sheffield Kidney Institute, Sheffield, England 1997.**

- 7- Training course on CAPD at **Manchester Royal Infirmary, Manchester, England 1997.**
- 8- Attendance of the master degree course in nephrology at the **Sheffield Kidney Institute, Sheffield, England 1997.**
- 9- Attendance of the northern postgraduate nephrology course at **St James' University Hospital Trust, Leeds, England 1997.**
- 10- Training on different techniques of peritoneal dialysis, a course organized by the National Kidney Foundation, Egypt under supervision of Prof. Prben Joffe, Division of Nephrology, Department of Medicine, **Holbaek Country Hospital, Denmark 2000.**
- 11- Research Fellow, Transplantation Immunology Department, **Heidelberg University, Germany [2002-2003].**
- 12- Clinical Fellow, Nephrology and Renal Transplantation Department, **Heidelberg University, Germany [2003-2004].**
- 13- Research Fellow, Transplantation Immunology Department, **Heidelberg University, Germany [2009].**

### **Present Position and appointment:**

- 1- Professor of internal medicine & nephrology in Urology & Nephrology Center, University of Mansoura, Egypt since October 2016 till now.
- 2- Assistant professor of clinical medicine & nephrology at Weill Cornell Medical College, Cornell University, Qatar since August 2012 till now.
- 3- Nephrology **Consultant** at Hamad General Hospital, Hamad Medical Corporation, Qatar, since October 2010 till now.
- 4- Academic and clinical **Tutor in Mansoura-Manchester Medical School** since February 2008 (<http://manchester.mans.edu.eg/english/default.htm>).

### **Experiences and Particular Strengths:**

More than twenty years of continuous and successful experiences in the management of patients with all varieties of medical renal disease at a specialized referral Institution (Urology & Nephrology Center, Mansoura – Egypt). These experiences were gained through the following activities:

1. Running work in the outpatient nephrology clinic twice weekly (20 new patients and 45 patients on follow up/week on average and extensive responsibilities in selection, preparation and follow-up of more than 2000 renal allograft recipient.
2. Full participation in the management of in-patients along the past 15 years (transplantation and Nephrology).
3. Vast experiences in hemo and peritoneal dialysis in the management of acute and chronic renal failure.
4. Good experience in pediatric Nephrology including dialysis and renal transplantation.
5. Advanced experience in use and monitoring recent modalities of therapy in the field of Nephrology as Plasmapheresis, Pulse therapy, Immunotherapy and Antirejection protocols.
6. Skilful in obtaining and processing kidney biopsies, insertion of femoral, subclavian and internal jugular vein catheter for intermittent hemodialysis in addition to Tenckhoff catheter fixation either surgically or bedside.
7. Excellent experiences in the intensive care work, management of medical emergencies in a surgical patients and intensive postoperative care.
8. Excellent experiences in training junior physicians in the field of Nephrology.
9. Clinical round teaching and lectures for medical students in Mansoura university hospital.

The second annual international congress of the Saudi society of Nephrology (Jeddah, Saudi Arabia), 2007.
- **Acute peritoneal dialysis: from prescription to practice.** The second annual international congress of pediatric renal replacement therapy, Pediatric hospital, Mansoura University, Egypt, 2007.
- **Different Peritoneal Dialysis Techniques.** The 27th annual congress of the Egyptian Society of Nephrology, Nursing training course, Cairo, Egypt, 2008.
- **Peritoneal dialysis catheter update.** The first annual congress of peritoneal dialysis, Cairo, Egypt, 2008.

- **Renal Transplantation in Patients with Negative CDC Crossmatches: Value of Donor Specific Antibodies Detection on First Graft.** Khaled Mohamed Mahmoud, Amani Mostafa Ismail, Hussein Attia Sheashaa, Osama Ashry Gheith, Mohamed Mohamed Kamal, and Mohamed Ahmed Ghoneim. The 28th annual congress of the Egyptian Society of Nephrology, Nursing training course, Hurgada, Egypt, 2009.
- **Prevention and management of non infectious complications of Peritoneal Dialysis.** The First Pan-Arab Peritoneal Dialysis Update, Port Said, Egypt, 2009.
- **Evaluation and selection of live kidney donors.** Clinical transplantation seminar in Heidelberg Renal Center, Germany, 2009.
- **Intradialytic hypotension.** The second international hemodialysis course, 10-14 November, 2009, Mansoura, Egypt.
- **Crossmatch techniques and Luminex Assay,** 2010, Doha, Qatar.
- **Peritoneal Dialysis catheters,** 2012, Doha, Qatar.
- **Encapsulating peritoneal sclerosis,** Mansoura, Egypt, 2013.
- **Kaposi sarcoma after kidney transplantation,** Doha, Qatar, 2014.
- **Kimura disease, review,** Doha, Qatar, 2015.

### **Prizes and Honors:**

1. Winner of the annual prize for the most distinguished research in the field of Renal Transplantation Immunology awarded by the Egyptian Society of Nephrology, [ESN], **1998**.
2. Winner of the best research in the field of medical science awarded by the Egyptian Academy for Research and Technology for the year **2001**.
3. General Secretary for the National Egyptian Society for Peritoneal Dialysis Support (<http://www.capd-egypt.com/khaled.htm>) since **2004**.
4. Winner of Samir Ben Hurieb Prize for the best oral presentation in the second annual international congress of the Saudi society of Nephrology (Jeddah, Saudi Arabia), **2007**.
5. Winner of the annual prize for the most distinguished research in the field of Renal Transplantation Immunology awarded by the Egyptian Society of Nephrology, [ESN], **2008**.

6. Proposal reviewer for King Abdulaziz City for Science and Technology since **2010**.
7. Proposal reviewer for Hamad Medical Corporation Research Center, Qatar since **2012**.
8. International Society of Nephrology Education Ambassador since **2012**.
9. Instructor in the Vascular Simulation Course in Qatar Robotic Surgery Center (QRSC) since **2013**.

### **Editorial activities:**

1. Reviewer for Liver Transplantation international journal since **2004**.
2. Reviewer for the International Urology and Nephrology Journal since **2010**.
3. Reviewer for Frontiers in Medicine Journal since **2010**.
4. Reviewer for Journal of the European Academy of Dermatology and Venereology since **2013**.
5. Editorial board member of the Open Journal of Nephrology since **2010**.
6. Editorial board member of the World Journal of Nephrology since **2012**.
7. Editorial board member of the Open Journal of Science and Technology since **2013**.
8. Editorial board member of Archives of Clinical Nephrology journal since **2015**.
9. Editorial board member of Journal of Clinical Nephrology and Kidney Diseases since **2016**.
10. Editorial board member of Insights in Nephrology Research journal since **2016**.

### **Teaching activities:**

-I had been an Instructor in the department of Nephrology, Mansoura University, Egypt between 1999 and 2005. During this period, I had participated in the teaching of students, interns and residents. Then I became a lecturer in the same department between 2005 and 2010. I continued to conduct training for students, interns, residents and instructors via instructional ward round, grand ward round, educational meetings for discussion of difficult cases, Journal clubs and Morbidity and Mortality meetings.

-I joined Hamad Medical Corporation, Nephrology Department from October 2010 till now during my academic leave. Since then, I am participating in the whole

teaching activities including training of residents through ward rounds, histopathology meetings, lectures in Clinical Nephrology and journal clubs. Also I am actively sharing as instructor for the nephrology fellows in the nephrology fellowship program sessions in Hamad Medical Corporation.

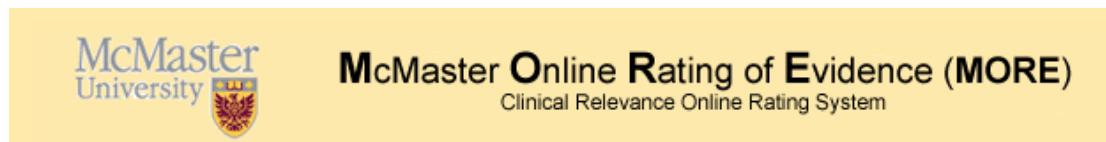

-In addition I have been appointed as assistant professor of clinical medicine and nephrology in Weill Cornell Medical College in Qatar in 2012 and since then I am involved in the teaching process of their medical students too.

### **Scholarships:**

-Two Years Scholarship in **Germany** awarded by The German Academic Exchange Service (DAAD), 2002-2004 for fulfillment of the **MD thesis**.

-Three Months Scholarship in **Germany** awarded by The German Academic Exchange Service (DAAD), 1/7/2009 - 30/9/2009.
