

## CURRICULUM VITAE

====

### Personal Data : -

**Name** : Ahmed Mamdouh Shoma  
**Data of birth** : July 1, 1964. Mansoura  
**Social status** : Married, with two children  
**Nationality** : Egyptian  
**Religion** : Muslim

### **Address for correspondence:**

Urology and Nephrology Center  
Mansoura University  
Mansoura, Egypt.

**Tel** : 2050 2262222 (Office)  
: 2050 2234555 (Home)  
: 201223766818 (Mobile)

**Fax** : 2050 2263717

**E-mail** : [ahmedshoma@hotmail.com](mailto:ahmedshoma@hotmail.com)  
[ahmedshoma@mans.edu.eg](mailto:ahmedshoma@mans.edu.eg)

### Qualifications:

MB, B.Ch.: Mansoura University, 1987.

M.Sc. in Urology: Mansoura University, 1993.

M.D. degree in Urology: Mansoura University, 1997

**Positions: -**

- 1987 - 1988: Rotating internship, Mansoura University Hospital.
- 1989- 1993: Resident, Urology and Nephrology Center, Mansoura University.
- 1994 - 1997: Assistant lecturer of Urology, Urology and Nephrology Center, Mansoura University, Egypt
- 1998 - 2002: Lecturer of Urology, Urology and Nephrology Center, Mansoura University, Egypt
- 2003 – 2008: Assistant professor of Urology, Urology and Nephrology Center, Mansoura University, Egypt
- 2008 – 2009: professor of Urology, Urology and Nephrology Center, Mansoura University, Egypt

**Area of interest (subspecialty):-**

- Minimally invasive urologic surgery (endourology and laparoscopy).

**Professional Experiences (Outside Egypt): -**

- 1994: Visiting doctor, Hammer Smith Hospital, London, U.K.
- 2001: Visiting consultant to the department of urology in Shaikh khalifa medical center (SKMC) and responsible for the training program about the use of Holmium laser in urology (5-12 May).

- 2002: Visiting consultant to the department of urology in Dubai Hospital and responsible for the training program about the use of Holmium laser in urology (14-16 December).
- 2002: Visiting consultant to the department of urology in Santé Augustan Hospital, Bordeaux, France (14-9 – 14-10-2002).
- 2002: Visiting consultant to the department of urology and Vattikuti institute of urology, Henry Ford Hospital, Michigan, USA (26-12-2002 – 11-1-2003). This period is used for training on robotic radical prostatectomy.
- 2003: Visiting consultant to the department of urology McGill university, Montréal, Canada, for training on laser prostatectomy. (6-20/ 9/2203).
- 2005: Invited speaker in the 1<sup>st</sup> congress of magarabian urologic association in Tunisia.
- 2005: Invited speaker in the 1<sup>st</sup> Kuwait congress for laparoscopy, Adan hospital, Kewet.
- 2006; Invited speaker in the 1<sup>st</sup> Kuwait congress for laser prostatectomy, Adan hospital, Kuwait.,6-8,December.
- 2006: Invited speaker in the 24<sup>th</sup> congress of Syrian urologic society, 7-9 September.
- 2007, 2008, 2009: Visiting Professor to the department of urology, El Tahady university hospital, Libya to do multiple laparoscopic and endourologic operations ( 25/5-2/6/2007) ( 20/3- 27/3/2008) (15/5- 20/5/2009).
- 2008: Visiting professor to Ebn Rush governmental hospital, Aleppo, Syria to train the Syrian doctors on endoscopic surgery for urologic disorders, 19-21 June.
- 2008: Invited speaker in the 2<sup>nd</sup> Kuwait congress for laparoscopic management of different urologic disorders.
- 2009: Invited speaker in the 9<sup>th</sup> Mediterranean and middle eastern endoscopic surgery congress. Damascus, Syria, November 11-13, 2009.

- 2009: Invited speaker in the 5<sup>th</sup> annual congress of the Syrian association of laparoscopic surgery, Damascus, Syria, November 11-13, 2009.
- 2009 Visiting professor to the Urolo-oncology department of El-Bairuni hospital for doing laparoscopic radical cystectomy, Damascus, Syria, November 9-11, 2009.
- 2009 Invited speaker in the 2<sup>nd</sup> urology update – endourology seminar and workshop, Aga Khan University, Karachi, Pakistan, November, 13-15, 2009.
- 2009 Visiting professor to the urology department, Aga Khan University, Karachi, Pakistan, November, 13, 2009.
- 2010 Invited speaker in the endoscopic urology meeting, Beirut, Marsh 12.
- 2010 Visiting professor to Adan hospital, Kiewit,
- 2012 Invited speaker in the first Annual Emirates Urological Society Conference 2012.

**Professional Experiences in Laparoscopy: -**

- Laparoscopic simple nephrectomy: 137 patients
- Laparoscopic decortication of simple renal cysts: 45 cases
- Laparoscopic Radical nephrectomy: 87 cases
- Laparoscopic orchiopexy: 5 cases
- Laparoscopic adrenalectomy: 54 cases
- Laparoscopic pyeloplasty (conventional and robotic): 75 cases
- Laparoscopic ureterolithotomy: 15 cases
- Laparoscopic radical cystectomy (conventional and robotic): 40 cases
- Laparoscopic partial nephrectomy: 23 cases
- Laparoscopic pediatric procedures: 65 cases

**International and National Scientific Activities: -**

- Member of the Egyptian Urological Association
- Member of Societe internationale d Urology
- Member of American Urologic Association of urology
- Member of European urologic association of urology

**Contributions in the international journals:**

- Reviewer in the journal of urology
- Reviewer in the international journal of surgery
- Reviewer in the journal of endourology

### **Scientific publications: -**

1. Chaudhay, K.S., LU, Q.L., Able, P.D., Khandan-Nia, N., **Shoma, A.M.**, El-Baz, M. Stamp, G.W.H. and Lalani, E.N., Brit. J. Urol, 79, 78, 1997. ### **Thesis Preparation:**

1. Laser tripsy of the ureteral stones. A thesis submitted for partial fulfillment of MSc degree in Urology, urology and Nephrology center, Mansoura University, Mansoura, Egypt, March 1993.
2. Optimization of anal sphincter controlled urinary diversion: Experimental study and clinical evaluation. A thesis submitted for partial fullfilment of MD degree in urology, Urology and nephrology center, Mansoura University, Mansoura, Egypt, September 1997.

### **Awards, Honors, and Grants: -**

1. Excellence Prize from Urology and Nephrology Center, 1999, Egypt.
2. Fakhery Prize from the Egyptian Academy of research, 2000, Egypt.
3. Prize essay from Egyptian urological association, 2001, Egypt.
4. National encouragement prize from the Egyptian academy of research, 2004, Egypt.
5. Best poster presentation in the XX<sup>th</sup> congress of European association of urology, 16-19 March 2005, Istanbul.
6. Mansoura medical prize from the Egyptian academy of research, 2008, Egypt.
